Understanding the value of arranging one's cemetery and funeral services in advance is not as difficult as it seems. In fact, pre-arranging is the most loving, caring and considerate act someone can do because it spares their loved ones the burden and responsibility of making emotional and financial decisions at their most difficult time.

### Important Notice to Parishioners

We anticipate the start of construction of our new Parish Centre in the near future. During this time there will be significant changes to vehicular and foot traffic on the east side of the church. Please be aware and follow sign and traffic personnel directions.

⇒ For daily Mass during the summer, please use the west parking lot only unless directed otherwise.
⇒ For weekend Masses, carpooling and alternate means of arrival (biking, walking) if possible, would be immensely helpful.

More detailed directions will be published as construction timeline progresses. Your patience and understanding will be very much appreciated.

### Telephone Scam

Be wary of a cel phone text purporting to be Fr. Tran on the phone and requesting you to buy a Google Play gift card of $500.00 for his friend going through cancer in the hospital, saying he is busy and cannot get it himself. Hang up immediately—it is a scam.

"God is always more." Have you ever heard that? If we truly believe that He is infinite, then this statement is worth exploring. Today, we celebrate the coming of the Holy Spirit in power upon the early Church. But Pentecost wasn't the first time the disciples received the Holy Spirit. The Gospel actually occurs chronologically before Pentecost. Soon after the Resurrection, Jesus already "came and stood in their [the disciples'] midst... he breathed on them and said to them, 'Receive the Holy Spirit.'"

God is always more. Sometimes we might think the grace of God as one and done. God might break through in people's lives, but it's a one-time event on a retreat or preceding a dramatic conversion of life. But there's always more to come. Even today's Gospel isn't the first time the breath of God stirred. In Genesis, it's God's breath that stirs life into Adam in the garden. Jesus breathes on the Apostles, giving them the Holy Spirit in the quiet and silence. Later, that breath will stir into a "driving wind", and the Spirit will descend with flame ? not unlike Moses on Mount Sinai.

God is always more. He has spoken throughout salvation history, and continues to speak into our lives through His Church and through the Holy Spirit alive in our hearts. This Pentecost Sunday, let us come before Him with expectant hearts! Like the disciples in the Gospel and first reading, let us await what "more" God will do.

## *Everyday Stewardship*

*Perhaps you are a sports fan. You know that all sports usually involve a team. There is something about a team of individuals coming together for the goal of victory that is compelling. A team is only as good as the sum of all its players. If you have all the right talent at the right positions, great things can happen. What is hard for a fan to watch is a team that has great talent but fails to achieve its goals because some players choose not to give their all to the team. Selfishness, apathy, or immaturity keep some from giving fully of themselves. The hopes and dreams of a team and fan base are dashed even though they had all they needed to be the best.*

*A parish is a lot like a team. Those in a parish community work together to achieve goals that ultimately lead others to Christ. We come together to give of ourselves to advance the mission of the parish. When we all are committed to fully giving our gifts and talents, fulfilling our position in the Body of Christ, then our hopes and dreams of transforming the world around us can become reality.*

*However, when we sit out on the sidelines, we hurt our team. When we hold back and choose not to give of ourselves, we diminish what is truly possible for our parish community. God always provides our parishes with what they need to be fruitful and vibrant. His gifts to us exist in each other.*

## LIVE THE LITURGY

When faced with a decision or a dilemma, where do we turn? Whenever we have to discern the proper course of action, the Holy Spirit is available as our advocate and guide. As Christians, we look not to our world for direction but to God. The gifts of the Holy Spirit are given to help us find our path to proper thought and conduct. Wisdom, right judgment, knowledge, understanding, fortitude, piety, and fear of the Lord are all perfect tools for discernment. These gifts allow us to keep our relationships and perspective in proper order. It is the Holy Spirit who opens our eyes to see that which we would otherwise overlook and opens our hearts to receive those people who would otherwise be ignored. Ask the Holy Spirit to enlighten you today.
