God is not concerned necessarily with our money, although its proper use does factor into our faith life. As the payment of secular taxes speaks of our allegiance to the government, our return to God speaks of our allegiance to God. All of creation, even the entire universe, is fashioned in the image and likeness of God. What speaks to God and has meaning and relevance to Him? All of creation and indeed our very selves! God delights in us and when we present ourselves back to Him, he delights even more! As the payment of secular taxes is designed to secure the equitable distribution of goods and services to all people, so is our return of ourselves to God in gratitude meant to advance God's kingdom here on earth.

When our exclusive and sincere allegiance is given to God, God can use us to set things right and straight again. The wounds of sin distort our relationship and disorder our world. By giving ourselves and all of creation back to God in gratitude, we acknowledge the proper Creator and Author of life for who He is and devote our labors exclusively to God's kingdom and the justice, peace, or order God envisions. In giving back to God all that belongs to God, we set the axis of our lives correctly and put our priorities in proper order. All of our relationships, especially with God, our brothers and sisters, and all of creation are perceived more clearly as they really are. Using, accumulating, wasting, exploiting, hoarding, and self-preservation are no longer necessary.

LIVE THE LITURGY

In the time of Jesus, a Roman coin bore the image of Caesar and it was precisely this coin that was returned to the emperor in the form of tax. What bears God's image? Scripture tells us that human beings are made in the likeness and image of God. In truth, however, all of creation, even the entire universe, is fashioned in the image of God! Everything radiates Divine Presence and the spark and essence of God's very life exists in all things. God breathes the life of Himself into all things. If we have to give back to civil authorities what speaks to them, then what do we give back to God? While the answer is simple, the implications are profound. We are asked to give back to God our very selves! Ultimately, all creation is in the process of returning to God and is on a journey of finding its final truth and essence in Him. As we continue that journey, all we have, all we are, all we see, and all we are responsible for must be offered back to Him. God is the beginning and the end of all things. Do our lives reflect this Divine allegiance? ©LPI

Stewardship Reflection***Chosen***

It is getting close to Election Day and I suppose most of us have an idea of how we will cast our vote. We have tried to discern where candidates stand on important issues and what type of leader they might be if elected. However, there is a good chance that when we go into a voting booth, we will cast at least one vote for a person who we never heard of and to do a job we do not understand. We know the more notable people in the more notable contests, but some of those on the ballot as we get further into it? Who knew that was going to be on there?

In life we will at times be asked to make a choice about something or someone we know little about. Our choices will not always be as informed as we would like. Then, when we do know some information needed to make a choice, we still don't know everything. We may support a candidate and not really know him or her personally.

When God chose you and me, He had all the information needed to make the choice. The crazy thing is He chose us anyway! He knew we would sin, turn our backs on Him, and sometimes not be very good ambassadors for Him. However, He still chose us because He loves us. We are a chosen people. We are His own. I don't know about you, but if given the chance I am not sure I would have chosen myself. I rejoice that God sees in me something that at times seems hidden to me.

Legacy Brick Campaign

Be a part of building our "Parish Centre" and leave a legacy donation that will live on past your lifetime, in memory of your support. We have a Platinum, Gold, Silver and Bronze Brick board where your contributions will be placed. Platinum is worth \$2,000 and up, Gold is \$1,200.00; Silver is \$600.00; and Bronze is \$300.00. A donation can be a one-time donation or monthly payments through Pre-Authorized Offering Payment e.g. 12 monthly payments of \$25.00 is a \$300.00 Bronze Donation.

When you make a donation, you will receive a "brick" to go onto one of 4 Brick Legacy boards. When the building is complete, these Brick Legacy boards will be placed along the wall so you can see who the builders are. The "brick" can be "in memory of" a loved one or simply a contribution from your family, organization or ministry. All donations stay in the Parish. Contact the Parish Office to make your Legacy Brick Donation and be part of the church builders.
